Mr. Harry Harmon,
1613 Baltic Ave.,
Atlantic City, N. J.

Dear Sir:

Just received your letter and have ordered the placards shipped to you. You should receive them Saturday. The only change I made was the price. When I played in Atlantic City last year we charged 75¢ 55¢ and 40¢ for the passes. When I come again with two League teams we will have to charge that amount. I did not think it was wise to change the prices. As you know the Park is small and it is necessary to charge this amount in order to make the trip worthwhile. No one objected to paying it last year, and I am sure they will not object this time.

The Cuban Stars can come with us Friday, June 6th to play the game we had originally planned for there.

At this game we may be able to pitch Manning, as it is a regular League scheduled game, as you know he is one of our outstanding top notch pitchers.

I have ordered some publicity sent to you and the local papers. Would any of the Daily papers use a picture, if I sent it, if so, let me know and I will get it to you in time at least the day of the game.

The terms of playing the ball game are satisfactory, as we discussed, The Eagles to receive $33 \frac{1}{3}$ of the gross receipts.

Very truly yours,

EM:CCJ
